7. **The applicant is aware that the Donor Operator will automatically terminate his/her contract or other similar arrangement upon successful porting. In case the number(s) to be ported form(s) part of a contract or other similar arrangement comprising other services offered to the applicant by the Donor Operator, the applicant is aware that such automatic termination can have implications on any other services, such as in a bundled offer, that the applicant may have with the Donor Operator. Penalties for early termination of the said contract may apply.**
